TABLE TENNIS FOR EVERYONE, EVERYWHERE

POPULAR, UNIVERSAL & INCLUSIVE
INTRODUCTION

As an International Sport Federation, the ITTF is the governing body of Table Tennis worldwide and one of the fundamental missions is to promote our sport globally to be played in each corner of the world. How to do it? How to make Table Tennis accessible to everyone? This has been done through the ITTF Development Program since 1999, but now there is new approach.

The ITTF is developing a Table Tennis for ALL program with the aim to make our sport Popular, Universal and Inclusive. The term “ALL” means more people, but not only that, also different kinds of people in terms of age, gender, social status, culture and physical ability.

TABLE TENNIS FOR EVERYONE, EVERYWHERE

POPULAR, UNIVERSAL & INCLUSIVE

This program includes the establishment of World Table Tennis Day.
WHAT IS THE WORLD TABLE TENNIS DAY (WTTD)?
It is a celebration of the joy to play Table Tennis for fun, bringing people together where the focus is less on the competition and more on participation and fun.

WHAT IS THE PURPOSE OF THE WTTD?
To gather Table Tennis enthusiasts, attract people that usually don’t play, promote the love for our sport and ideally engage new players to the practice in the long term.
WHEN IS THE WTTD?
WHY THAT DAY?

APRIL 6, because that day was established by the United Nations and the International Olympic Committee as the International Day of Sport for Development and Peace.

The first WTTD will then be April 6, 2015.

“Sport has become a world language, a common denominator that breaks down all the walls, all the barriers. It is a worldwide industry whose practices can have widespread impact. Most of all, it is a powerful tool for progress and for development.”

–Ban Ki-moon, UN Secretary-General
The ITTF firmly believe that table tennis is not only a matter of competition; it is also a vehicle for positive social change, a healthy worthwhile use of leisure time and an opportunity to bring people together, an excellent tool for social inclusion.

Table Tennis has a unique value where people from different ages, gender, skills or physical condition can play together. It is sport for life and It´s FUN!
WHO CAN ORGANIZE WTTD?
- Continental, National and Regional Table Tennis Associations
- National Olympic Committees
- Clubs, NGO’s, Youth Centers

WHAT CAN BE DONE ON THE WTTD?
It can be done in very different ways and combining some of the activities listed below but the most important point is to let people play, especially those that usually don’t play or never tried.

- Short exhibitions
- Participants challenging elite players (1 or 3 points)
